TWENTY-FIVE MEN IMPRISONED BY THE CAVING OF COLORADO TUNNEL

Force Engaged in Timbering Passage Underground
Imprisoned at Montrose—Rescuers
Save a Score.

Montrose, Col., May 31.—Word was
received by telephone this morning
that rescuers are at work trying to
reach the score or more of workmen
imprisoned by yesterday's cave-in at
the Gunnison reclamation tunnel. It
is feared many are dead. Two are
known to be alive.

25 Reported Dead.

Montrose, Col., May 31.—By the cav-
ing in of a large section of the Gun-
nison tunnel near the Cedar creek end
yesterday 25 men were killed and 35
were imprisoned.

A large force of rescuers was sent
to the scene. The men are now digging
away the debris, but there is a large
pile of earth to be removed before the

imprisoned men can be reached. It is
believed the imprisoned workmen will
be suffocated before relief can reach
them.

The accident took place while the
men were timbering the tunnel. A strip
of ground, considered absolutely safe,
but which had not been timbered, gave
way without warning and fell upon
those beneath, crushing them to death.
Those who were behind the timbers
are imprisoned, and, because of the
lack of air, their condition is perilous
if not hopeless.

Rescue 24 Men.

Twenty-one workers, uninjured, and
three injured have been recovered.
There are two dead under the earth.

BAPTIST DECLARES ROCKEFELLER HAS BEEN GROSSLY MALIGNED BY CRITICS

REV. MAC ARTHUR, IN PUBLISHED LETTER, SAYS HE HAS INVESTI-
GATED AND FOUND METHODS OF STANDARD OIL
KING ABOVE REPROACH.

New York, May 31.—Recent criti-
cisms of John D. Rockefeller growing
out of his gift of \$100,000 to the Ameri-
can board of commissioners for the
foreign missionaries are declared in an
article by Rev. Dr. Robert Stuart Mac-
Arthur, pastor of Calvary Baptist
church of this city, to be published to-
morrow in the Examiner, a Baptist pub-
lication, "to be coarse, cruel and per-
haps criminal, and to have maligned
the entire Baptist denomination."

"Cowardly and unjust,"
He "protests against the condemna-
tion of our churches by these cowardly
and unjust attacks," and declares no

one knows better than Rockefeller that
he cannot buy the approval of the Bas-
tists by his millions; that Baptists
would advocate his expulsion from the
church if it were proved he acquired
his money dishonestly or by means
morally or socially destructive.

He adds he has investigated certain
business transactions which have been
fiercely denounced by Rockefeller's
critics, and has found them in accord-
ance with the highest standards of
commercial morality. Rockefeller, he
asserts, is worthy of confidence, admi-
ration and affection and appeals for fair-
ness of judgment for him.

PRESS SPEAKS BOLDLY

Holds Bureaucracy Responsible
But Has Little to Say
of Peace.

St. Petersburg, May 31.—A series of
conferences are proceeding at Tsars-
koe Selo to determine not only the
question of peace but whether it is ad-
visable to yield to the popular demand
for the immediate convocation of a na-
tional assembly.

Make Cause With People.

Practically all the imperial family
are with the emperor, several members
of which are understood to be urging
the emperor to retrieve the situation
by making common cause with the peo-
ple against the bureaucracy.

The emperor has decided to send
his brother, Grand Duke Michael, to
attend the marriage of Crown Prince
Frederick William of Germany, instead
of his uncle, Grand Duke Vladimir,
whose mature judgment and advice the
emperor regards as very important in
the present crisis.

Ministers Favor Peace.

This afternoon the emperor sum-
moned Admiral Alexieff and all the
ministers to an extraordinary council.
The Associated Press is informed all
ministers, with the exception of the
ministers of war and marine, unani-
mously favor the conclusion of peace.

Indemnity Ready.

No trouble is anticipated in meet-
ing the payment of the indemnity, as
financiers who were now willing to
lend money for a continuation of the
war are ready to accommodate Russia
if money is needed for the purpose of
concluding peace.

St. Petersburg, May 31.—The cata-
strophe which has overtaken the Russian
fleet has given a tremendous impetus
to the demand upon the emperor for
the immediate convocation of a na-
tional assembly awaiting action upon
the report of the Bonilligan rescript
commission.

Bureaucracy Held Responsible.

With the single exception of the re-
actionary Soviet the Press pours out
indignation and wrath upon the bu-
reaucracy which is held responsible for
all the misfortunes of the war. Only
the Novosti and Bourse Gazette, how-
ever, declare peace should be con-
cluded.

Vigorous Language Used.

The Russ, now the wisest read pa-
per in Russia, says "Those guilty of
Russia's disgrace should be over-
whelmed with shame. The death of
half a million and the loss of billions
in money is the price of the rejection
of progress and western civilization.
Sebastopol struck the shackles from
the serfs and Port Arthur, Mukden,
and Tsu Island should free Russia from
the slavery of the bureaucracy."
The Slovo, another popular paper,
is even more bitter.

Troops to Quell Riots.

St. Petersburg, May 31.—In view of
possible demonstrations, three regi-
ments which were at the summer camp
at Krasnoye Selo, 16 miles southwest
of St. Petersburg, have been hurriedly
brought back to St. Petersburg.
